Case No. MS06-5002FDB

ORDER GRANTING ADDITIONAL  
TIME TO PRODUCE DOCUMENTS

This matter arises out of an action pending in the United States District Court, Northern District of Texas, Dallas Division concerning individuals and entities placed in receivership in the course of investigation of a fraudulent investment scheme. The moving parties herein, Robert and Lea Lord, residents of Puyallup, Washington, are among the victims of the scheme. The Lords were served a subpoena on January 30, 2006 to appear for a deposition Wednesday, February 8, 2006 in

1 Seattle, Washington and to bring certain documents. The Lords note that there are deficiencies in  
2 the subpoena under Fed. R. Civ. P. 45 (c)(3)(A), most notably, a failure to allow a reasonable time  
3 for compliance. The Lords request that the subpoena be quashed allowing them to arrange a  
4 mutually convenient time for the production and oral testimony, or alternatively that they be allowed  
5 30 days to gather and review the requested information and records. The Receiver's attorney  
6 informs the Court that he has no objection to a 30-day extension of time to produce the documents.  
7 The Lords also request reimbursement for the costs incurred to comply with the subpoenas, but the  
8 Court declines to make such an award on this motion.

9       ACCORDINGLY, IT IS ORDERED: Motion of Robert and Lea Lord with request to the  
10 subpoenas to appear and produce certain documents is GRANTED IN THE ALTERNATIVE: The  
11 deposition may go forward, but the Lords shall have 30 days from the entry of this Order to gather  
12 and produce the requested information and records. Requests for costs of compliance with the  
13 subpoena is DENIED.

14       DATED this 7<sup>th</sup> day of February, 2006.
